

KENNY FIELD LIGHT PROJECT

The ball field in Big Rock has a long history dating back to the 1920's with games played by little leagues, pony leagues, ASA leagues, American Legion leagues, church leagues and the Hinckley Big Rock High School teams, all calling the field home. It was in the mid-60's that Kenny Raymond, Bill Thurow, Jr. and Roger Hatfield asked the Plowing Match Board about putting lights at the ball field. It had not happened when a car accident took the life of Kenny Raymond in June 1967.

Roy Raymond was an impetus behind the origin of Kenny Field, dedicated to the memory of Kenny Raymond, his nephew. Roy pledged that the family was going to build a lighted baseball field at Plowman's Park. The committee, headed by Mr. & Mrs. Herman Lange, included Harley Davis, Bill Thurow, Jr. and Roger Hatfield, with the assistance of Roy Raymond. The estimated cost for the professional size baseball diamond was \$12,000. The project included an electronic scoreboard, sound system, concession stand, press box, bleachers and lighted field—"the newest type on eight light standards with 91 1,500 watt quartz-iodide lamps." It was built by donations with the final cost underwritten by Roy.

Kenny Field was built in just five weeks with 325 cash contributions that flowed in from Big Rock, Hinckley, Kaneville, Elburn, Sugar Grove, Aurora, North Aurora, Yorkville and DeKalb. Big Rock's young and old worked together seven days a week for an estimated 8,500 hours to string electrical wire, lay block, shovel dirt, set light poles and assist in any necessary work, determined that the field would be ready for use at the Plowing Match. The community was aided by the involvement of Valley Electric Supply in Aurora, Muscatine Lighting & Manufacturing Company, ComEd, Joslyn Manufacture Supply Company in Chicago, a Rock Falls trucking firm and several generous in-kind donations.

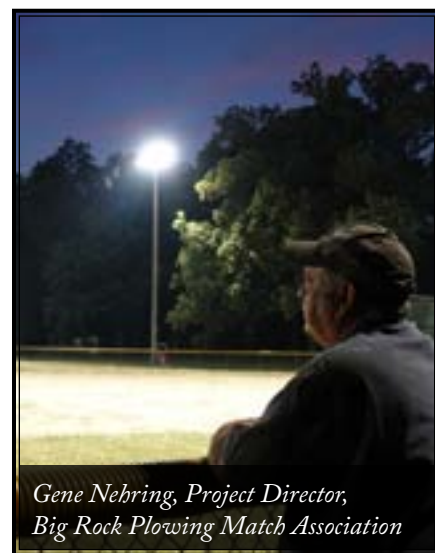

The field was dedicated at the 73rd Plowing Match on Sunday, September 17, 1967, with a game between the First Congregational and Baptist Churches followed by a Donkey Ball game under the lights. It hosted games played by Eddie Fainer or "King" and his Court (4-man softball team), as well as the Aurora Sealmaster Team, who were then world champions. Exhibition games, tournaments, championships and All-Star games were

also played on the field. "This wonderful field is a source of great pride to our community. It is in use almost every night during the summer and attracts ball teams from a distance of 50 miles." *Plowing Match Times* 1968

Fast forward to 2023 when the lights at Kenny Field will once again illuminate the night sky. New LED lights were made possible by the Kane

County Board, through its Office of Community Reinvestment, with funds from the Grand Victorian Riverboat Casino. Final approval of our application was received in October 2022 and due to supply issues the project was delayed until 2023. Spring weather delayed work until June when the ground was firm enough for equipment. In less than 60-days TCL Electrical and Lighting set in place 72 Sparta Sports lights with 112,000 lumens replacing the original 91 lights with 30,000 lumens installed in 1967. Additionally, the electric service panels were upgraded. The completed project was approximately \$174,000 funded primarily through ComEd grants at \$135,000 with the balance covered by the Grand Victorian Riverboat Grant and the Association.

Further Kenny Field enhancements are taking place. In July, members of the Kane County Phantoms team cut/dug, rolled and removed 15 feet of grass to extend the entire infield. Next came the removal of the dugout roofs followed by the demolition and removal of concrete. Steve Ruh, assisted by Rick Paver and Preston Sanford completed this work in August. Ruh Farms will be funding the state-of-the-art chain link fence dugout replacement.

*Gene Nebring, Project Director,
Big Rock Plowing Match Association*

The Association extends a huge thank you to everyone involved in this project and the enhancing of Kenny Field to bring it back to its shining days of glory.

THE REDEDICATION OF THE LIGHTS AT KENNY FIELD WILL TAKE PLACE AT 6:45 PM ON FRIDAY, SEPTEMBER 15, PRIOR TO THE OLDE TIME GAME. EVERYONE IS INVITED TO JOIN IN THE CELEBRATION OF NIGHT BASEBALL RETURNING TO KENNY FIELD.

OLDE TIME BASEBALL

FRIDAY

Big Rock Wildcats vs DuPage County Plowboys. First pitch at 7 pm.

Will the third time be the charm? Could the new lights at Kenny Field help clinch it for the Wildcats? In 2021, the Scorekeeper concluded the Plowboys were the winners. In 2022, the scorekeeper declared a tie. Will the Wildcats settle the score and win in 2023?

Vintage base ball returns with the arbiter behind home plate setting the rules for the game, insisting that players adhere to gentlemanly behavior at all times. The rules and style of play date back to the pre-Civil War days of 1858. Nineteenth century base ball vocabulary includes such terms as:

- ◆ Apple, onion, orb, hoghide = baseball
- ◆ Ace, tally = run or score
- ◆ Charming deadheads = female fans
- ◆ Cranks = fans

- ◆ Garden = outfield
- ◆ Knock = hit
- ◆ Long fielder or Scout = outfielder
- ◆ Muff or duff = error
- ◆ Rover = shortstop
- ◆ Striker = batter

The DuPage County Plowboys play games all across the states, as well as locally in the Cantigny Red Oak Vintage Baseball Festival. Members of the community are invited to join the Big Rock Wildcats team. Contact Gene Nehring at 630.918.7831 if interested in being a player.

Different, but similar, this game is sure to be exciting and great fun to watch. Let's fill the stands and enjoy an olde time baseball game under the new lights at Kenny Field.

FROM THE PRESIDENT

Kenny Field is back with new upgraded LED lights made possible with a grant from the Kane County Board, through its Office of Community Reinvestment, with funds from the Grand Victoria Riverboat Casino. PEDAL TRACTOR PULL

SATURDAY

Here's a fun and exciting tractor competition for children. Take the challenge to see who can pedal pull the weighted sled the longest measured distance. As the pedal tractor pulls forward the sled is dragged, creating friction, the weight moves forward and the sled becomes harder to pull. There are five weight classes from 40 to 90 pounds: 40-50 lbs.; 51-60 lbs.; 61-70 lbs.; 71-80 lbs.; and 81-90 lbs.

Tips from previous winners:

- ◆ The faster you get going, the farther you'll go.
- ◆ Go as fast as you can.
- ◆ When it starts getting hard, pedal harder.

Register at the Cattle Ring beginning at 2 pm. Pay the \$1 entry fee and weigh-in to qualify. The competition begins at 2:30 pm.

The Big Rock Plowing Match Association, sponsors the first place awards in each class. Second place awards are sponsored by the Big Rock Park District. All children receive a Participation Ribbon.

Winners at the Plowing Match & Festival will receive ice cream and cash, so no worries about what to do with a goat for a prize.

Preschool children and students from kindergarten through eighth grade are invited to be at the Cattle ring at noon to have fun and laugh away the afternoon.

ROUND BALE ROLL-OFF

SATURDAY

What's round, 5' tall, weighs 600 pounds and gets pushed around by two? A round bale of straw at the Plowing Match & Festival. This old-fashioned competition tests the strength and skill of three team members competing against time to roll the bale of straw across the ring. Of course, there is a hitch! Two people roll the bale and the third dares to stay on top as it rolls. If the person on top falls off, the bale must stop and that person must get back on top before they can start rolling the bale again. The team with the best time wins.

Get ready to be entertained, this fun competition is full of laughs as the teams roll the bale. Who can stay on top without falling off? Who can push the fastest? In 2022, the top winning time was 18 seconds. Team members split the prize money, have a great time and take home bragging rights for being the fastest.

Show up at the Cattle Ring to roll the straw. There are two divisions: ages 13-18 and ages 19 plus. No cleats or spikes allowed. Registration begins at 3:30 pm with the contest beginning at 4:00 pm. Registration fee is \$15 per team.

Winning teams in each division take home \$150 for first place and \$75 for second place. Lots of great prizes from local businesses will also be awarded: Indian Oaks Golf Course, Classic Cinema of Sandwich, Funway of Batavia, Hill's Country Store, Jewel Foods, Napa Auto Parts, Sugar Grove Family Fun Center and others. Thank you to all our sponsors and to the Byington Family for supplying the round bales.

LADIES FAIR - 2023

Enter your baked goods, handmade and handcrafted items in six sections across 21 categories with 138 classes. All amateurs-men, women and children, are eligible to submit entries for display and judging, and remember - no entry fees. Our premiums range from \$5 to \$30 with ribbons awarded and over \$2,500 in prize money provided by our generous sponsors and the Big Rock Plowing Match Association. So, read over the Premium List, decide what you will enter, pull your favorite recipes, gather your handicrafts and plan your strategy. Prize money and the coveted Harvey Davis Memorial Award await. By winning the most ribbons in all classes you may be the 45th recipient and be awarded a piece of Polish Pottery.

This year's Special Recipe, Patti McKenzie's Oatmeal Cake with toasted coconut frosting, dates back to the 1940's and 50's and is a family recipe passed from mother to daughter. Patti served on the Ladies Fair Committee from 1999-2007, was involved with the Cattle Show and supports the Plowing Match organization in multiple ways. Staying true to the handwritten recipe, Patti says the ingredients yield flavors that make this "comfort food cake" especially perfect on a fall or winter day, as well as the go-to cake for any occasion. So, follow the recipe for your chance at first place (\$30), second place (\$20) or third place (\$10).

Take a look at what is new and different this year.

- ◆ Specialty Decorated Cake, sponsored by the Big Rock Park District, will feature the movie in the park. Winners earn \$20 for first place and \$10 for second.
- ◆ Special Handicrafts has an additional class: a decorated 15" round wood sign. The model kit class features the 1963 Corvette.
- ◆ In Photography, specifications have been set: all photos are to be in a 5"x7" frame with an easel back.

Farm animals will be available for visitors to interact, hands-on with goats, calves, chickens, rabbits, donkeys and more. This fun and educational exhibit will be presented by the Hinckley-Big Rock FFA Team with their sponsor Tracy Sandersen and the George Bauman Family.

WATERMELON EATING CONTEST

There are a lot of watermelon related contests: most watermelons crushed with one's head; most watermelons split with a karate chop in one minute; or fastest time to dice a watermelon. Interesting.

This is how it is done in Big Rock. The fastest time wins. There are three groups: age 11 and under will eat one slice, award \$10; ages 12-15 will eat two slices, award \$20; and \$30 for ages 16 and older who will eat two slices. Sunday is the day. No entry fee. Register at the stage prior to the contest that begins at 11 am.

The 2022 winners were Dominic Sucilla, with a time of 1 minute:6 seconds; Aidan White, ate two pieces in 3 minutes:3 seconds; and 2 slices were consumed by Danny, in 4 minutes:7 seconds. So, who will have the fastest time in 2023, earn cash and set the Big Rock record for eating watermelon?

BINGO

Five columns of five. Numbers 1-75. Five letters. A caller. Chips. Daubers. Good luck charms. And . . . put it all together and you have BINGO. Everyone is invited to play at the Pavilion on Sunday at 2:30 pm. It is free to play, four individual games with \$25 prize money awarded and a grand prize of \$50 for filling an entire card.

BIG ROCK BULL BASH AND BRONC MATCH

It starts with the horse arena panels coming down, followed by bleachers being delivered, then stakes are placed to mark out parking, the arena is installed...and so the list continues. All this prep and more leads up to the second weekend in August when the bulls and broncs arrive at Plowman's Park.

Professional bull riding in Big Rock has become a tremendous success with the Saturday night event once again being sold out, this time in less than 24 hours. The Sunday afternoon bronc match welcomed spectators, many buying their tickets at the gate. We are most grateful for all the new and returning sponsors for underwriting both the bull and bronc events, to Matt Noble and Next Level Productions for producing the events, to all the organizations for their partnership, to all the volunteers assisting in a multitude of duties and to everyone for attending these events in support of the Big Rock Plowing Match Association. from the ASSOCIATION ARCHIVES

The twenty-eighth annual Plowing Match was held on the H. S. Long Farm and grove three miles west of Big Rock on September 23, 1923. It was "the one perfect day of the year." Conservative estimates of the crowd placed it at 8 to 10 thousand, at any rate it was as large as any ever at the match.

This year considerable interest was shown in the horse drawn contests and the tractor exhibits especially by the dealers and manufacturers were small in numbers. Farm machinery exhibits on the grounds were not as plentiful as in years past.

Much interest was shown in the address given by Dr. B. J. Cigrased of Aurora on the "Farmer of Yesterday and Tomorrow."

The Women's Department had an overflow of all kinds of exhibits in the tent.

Horseshoe contest won by Miner Bros. of Kaneville, second prize by Bastian & Farrer of Hinckley. This year the contest was open to everyone.

St. Charles Boys Home band furnished music. They were transported to the grounds by the community school buses. The Ball Game with Plano and the Aurora Lutheran League playing resulted in a victory for Plano. Both teams put up a good game and greatly pleased the spectators.

Sept. 23, 1923, H. S. Long Farm

The Plowing Match Association gave \$1,000 to the new school being built in Big Rock. The money was used to buy the curtains for the stage, purchasing and paying the labor to install the backboard and gaskets, and screens in the gymnasium. They also paid for the small room that was formerly used as a movie projector house.
